We're pleased to announce two new sponsors for the site for the next 12 months; both are well known in their respective fields.

First up is Adrian Flux Insurance Services- I've used them myself in the past for both car- and home- insurance.

Also, I am pleased to announce Support from Audi/ VW/ Skoda & Bentley specialists for North London- the multi-award winning [Russell Automotive Centre \(RAC\) London.](#)

I've met the owners of the business many years ago, and they go from strength to strength- as numerous awards will testify (many voted for by their customers).

Also- new in- [Hoffman Car Parts.](#)

Those of you old enough to remember VAG Parts? (Excellent prices and service)- these are not related in ANY way, BUT they offer the same deal- genuine parts at GREAT prices to "Joe public" (not everybody can use TPS)

HOFFMAN

On behalf of the site, I would like to say thanks for their support.
